

Her Daddy was a crying dancing church of god preacher
But he would not save himself

He preached the word of God throughout Delmarva
He told the people on Delmarva they need to pray
He told the people on Delmarva they need god
Because they were immoral
He talked about gods Judgment

Yes her Daddy was a crying dancing church of god preacher

Revivals and camps meeting's did he preach
People came from all over Delmarva to hear him
Her Daddy said if he would save just one it was worth it
But he would not save himself
Because of the immoral things he did with
His daughters' friends all over Delmarva

Her Daddy was a crying dancing church of god preacher
But he would not save himself
Jesus loves babies they are precious in His sight
Pray for the Babies
